Plumbing company lauded for growth

Plumbing M.D., a Davis plumbing company, was recognized Sept. 20 by the Sacramento Business Journal as the ninth fastest-growing company in the region.

Moving up from the No. 20 spot on last year's list, the company showed a growth of 243 percent, eclipsing last year's growth of 122 percent.

Michael Farias, founder and president, said, "We continue to grow by having a strong, easily recognizable brand and backing up the brand by providing the consumer with a consistently rewarding experience."
